Performance

Wattage	50/60/80/100/120/150/180w
Driver	CE proved Penel driver
driver efficiency	>90%
light source	Epistar chips
LM/W	105-110LM/W
CRI	>70
CCT	2700-6500K
Rated Voltage	AC 85-265V 50/60HZ
Power factor	>0.95
beam angle	120°
Heat sink	Aluminum
IP Rating	IP65
resist lightning	3KV or 10KV

Details

Professional optical lens for LED Street Lights' secondary light distribution ,better tranmission and wider lighting area

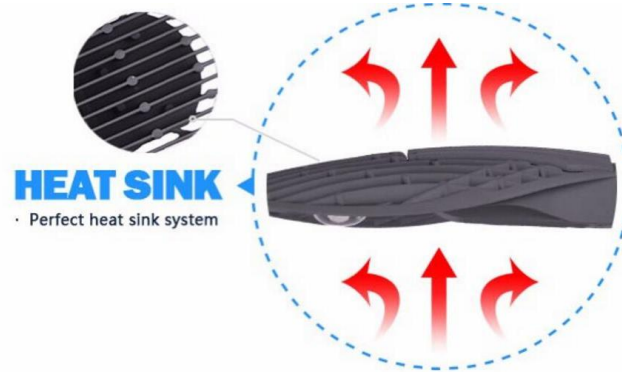

Epistar chips

Aluminum Fin radiator ,good for heat dissipation ,protect the lamp from high temperature

Aluminum housing

· Stainless Steel Screws

· Use thicker material

stainlss steel screws

Application
